

This document is designed to outline the questions you will be asked when applying for Together TV's Diverse Film Fund so you can prepare answers ahead of submission.

## Title

A working title for the film you plan to create.  
(50 characters)

## Logline

A one-sentence summary or description of your film.  
(200 characters)

## Treatment

Describe your film & why you think it reflects LGBTQ+ communities in the UK today.  
(up to 2000 characters)

## Director's Statement

Describe your vision and motive behind making this film & how it delivers impact for Together TV.  
(up to 1000 characters)

## Experience

Summarise your experience in filmmaking and TV production (up to 1000 characters).

## CV (optional)

We will optionally ask you to upload your CV here. Please note, the level of experience will not affect your chances to be selected, but it will give us a better gauge of your relevant TV and film experience.

## Previous Work

If you would like to showcase any previous work, and/or any other relevant paperwork that you feel could contribute to your application we will ask you to leave a link here (e.g. sizzle reel).
